Yaşar University Strategic Plan

ADMINISTRATIVE QUALITY SUB-SYSTEM PDCA CYCLE

Plan

• Planning the Dissemination of Quality Activities in Administrative Units

• Planning of Social Contribution Activities

• Planning Activities for Disadvantaged Groups

Do

• Organizing Quality and Documentation Trainings in Administrative Units and Carrying out Certification Preparation Studies

• Organizing Social Responsibility Activities with Internal and External Stakeholders

• Organizing Activities for Social Cohesion of Disadvantaged Groups Together with Internal and External Stakeholders

Check

• Checking that All Related Units Are Included in the Administrative Quality Subsystem

• Controlling the Measurement of the Quality System and Receiving Feedback

• Checking that there are no missing points in the studies to be carried out within the scope of Social Responsibility Activities

• Checking Whether All Relevant Disadvantaged Groups Have Been Reached

Act

• Taking Necessary Precautions In Case The Quality System Is Not Extended To All Units

• Taking Necessary Measures If Social Responsibility Activities Do Not Reach All Relevant Internal and External Stakeholders

• Taking Necessary Precautions If All Related Disadvantaged Groups Are Not Reached

• Taking Precautions Regarding Missing Matters Based on the Feedback Received from Internal and External Stakeholders
